

## **XIV. Neptune & its moons**

### **A. One visit (*Voyager 2* did a flyby in 1989)**

### **B. Basics**

#### **1. Location**

#### **2. Orbit & rotation**

#### **3. Ice giant planet - 4<sup>th</sup>-largest in the Solar System**

#### **4. Density**

#### **5. Day & year**

**1 Neptune day =**

**1 Neptune year =**

#### **6. Axial tilt**

**7. 14 known moons**

**8. Has a ring system**

**9. Magnetic field**

**10. Heat flow**

## **C. Interior of Neptune**

## **D. Atmosphere of Neptune**

**1. Color**

**2. Composition**

**3. Banding**

**4. Clouds**

## **5. Storms**

## **6. Winds**

## **E. Moons of Neptune**

### **1. Triton**
